

## Donate Shoes to Benefit

# The Hempfield Marching Knights!

The Hempfield High School Marching Band is conducting a shoe collection drive to raise funds for the Band Boosters while benefiting microenterprise ventures in developing nations and keeping old shoes out of local landfills. Individuals can help by donating gently worn, used shoes at Hempfield High School and other Hempfield School District Schools.

In the US alone, approximately 630 million pairs of shoes are thrown away per year. The materials used to manufacture a pair of shoes are created from chemical compounds that will create health hazards if left to disintegrate openly or in landfills. By donating your gently worn, used shoes to the Hempfield High School Marching Band, your shoes are given a second chance to make a difference. All donated shoes will be redistributed to microenterprise partners through Funds2Orgs and used in developing nations for impoverished people to start, maintain, and grow a unique business opportunity to feed, clothe, and house their families.
